ASCENT

Classical Academy of Douglas County

VISION

Ascent Classical Academy of Douglas County develops the moral and intellectual skills, habits, and virtues upon which independent, responsible, and joyful lives are built, in the firm belief that such lives are the basis for a free and flourishing republic.

MISSION

Ascent Classical Academy of Douglas County trains the minds and improves the hearts of young people through a classical, content-rich education in the liberal arts and sciences, with instruction in the principles of moral character and civic virtue in an orderly and disciplined environment.

CORE VIRTUES

Courage • Moderation • Justice • Responsibility • Prudence • Friendship • Wonder

MOTTO

Ad maiora ex tenebris

Out of the darkness towards the greater things

LOCATION

10004 Park Meadows Drive

Arrival and Dismissal Procedures

Morning Arrival Carline:

All traffic must turn right into our parking lot from Park Meadows Drive. You may NOT turn left into the entrance, make a U-turn on Park Meadows, nor access our parking lots from the adjacent office buildings.

- Drop off is 7:15 - 7:37a.m.
- Students may NOT be released from their vehicles before 7:15a.m.
- Drop off behind or in front of the building; select your preferred line, regardless of the grade of your student, and pull all the way forward into the loading zone as indicated on the map below.
- Students should be ready to exit the car when you pull into the loading zone; do NOT release students from the car until you reach this area.
 - DO NOT release your students at surrounding businesses – this is a safety hazard for your children and our staff.
- Ascent staff will be stationed near the carline each morning to help students out of cars and escort them to the building.
- There is NO PARKING in the Canvas lot next door.
- Note: cell phone usage is not permitted in the carline.

ASCENT

Classical Academy of Douglas County

Carline Safety

Parents in carline are expected to be cautious and alert whenever driving on campus, especially during carline, following all traffic regulations and rules of the road unless otherwise directed by ACA staff. Technology should never be used while in the carline. ACA staff will direct parents, who are using technology in the carline to put the device away before the vehicle proceeds.

Parents arriving before the specified carline start time may be asked to leave the property and return at the appropriate time. When arriving at carline, there will be a wait as we load students into cars. While parents are waiting, they are expected to help ACA fit as many cars in the driveline as possible by getting as close to the car in front of them as possible. When students are loading or unloading in the loading loop, cars must be in park.

Afternoon Pick-up:

- After collecting your student(s), please wait until your line is released and proceed toward the east exit to Park Meadows Drive.
- ALL exiting vehicles must turn right onto Park Meadows Drive.

If a last-minute change in the person picking students up happens, please call the front office directly at 720-531-8775.

Carpooling

We understand that many of our families are driving great distances to reach our school, and we encourage them to coordinate carpooling with each other. Parents will need to add carpool drivers to their approved list of pick-ups by contacting our Registrar, Mrs. Renee Rogers.

ASCENT

Classical Academy of Douglas County

Attendance

Late Arrivals

Routine morning drop-off ends at 7:35am. Students arriving after 7:40am will be asked to check in at the front office before going to class. Parents must sign students in if they are late.

Three late arrivals are considered a single unexcused absence for attendance purposes.

Early Pickup

Parents wishing to pick up students early from school must pick their child up before 2:30 PM. Our office staff are unable to assist with early pickups after 2:30 PM as they are preparing for carline and general dismissal. Pick-ups after 2:30 PM will need to join the carline.

To pick up your child, please park and walk into the Front Office with your photo ID. A staff member will verify your identity and call your child down to the office. We encourage parents to email the teacher ahead of time to notify them that the child will be leaving early. Please note that we do not pull students early from class to wait for early pickup in order to maximize their learning time; anticipate up to a five minute wait for your child to walk to the office from class.

Late Pickup

To respect the time of our teachers and staff who must remain on site to supervise students, parents must pick up their students promptly at the end of the school day and/or afterschool activities. Late pickup is defined as arriving on site to pick up a student after the school office has closed, OR 15 minutes after the end time of the after-school activity should it extend past the time the office closes (e.g., if sports practice ends at 5 PM, parents must pickup by 5:15 PM).

Front office staff will contact parents and emergency contacts by phone once this window has passed (3:35pm).

Students who are not picked up on time may be suspended from attending tutoring or other after-school activities following the third occurrence of late pickup.

ASCENT

Classical Academy of Douglas County

Elective Absences

Per the Family Handbook, ACADC tracks student attendance in order to comply with state and federal expectations for student contact and expected academic progress. Whether excused or unexcused, repeated or extended absences from school are detrimental to a student's ability to succeed academically. Assignments may be made up or notes copied, but the benefit of learning directly from the teacher can only be accomplished in the classroom.

Obviously situations arise necessitating that students miss school (e.g., illness), and we are not insensitive to mitigating circumstances. Of greater concern are repeated absences for elective or unexcused reasons, e.g., tardies or vacation. While parents are welcome to take their children from the classroom at any time, they must understand that doing so negatively impacts their child's education and may impact their ability to proceed to the next grade level. If students will be gone 5 or more consecutive days, parents will need Dean approval to be counted as excused, and the teacher must be notified.

Makeup Work

Per the Family Handbook, it is the student's responsibility to coordinate makeup work due to absence. Work that is missed due to unexcused absences may not be made up for credit. Makeup work is not to be coordinated during class time. Class time is intended for the instruction of all students, not to coordinate one student's missed work.

Students have one day for each day they missed to inquire about, complete, and submit missing work. For example, if a student misses Tuesday, he should ask about missed assignments on Wednesday and turn that work in on Thursday. Assignments turned in on Friday would not receive credit. Assignments or assessments of which students are aware in advance are still due on the scheduled date, with possible exceptions for extreme circumstances. For example, if a student is aware of a test on Friday and misses school on Thursday, the student is still responsible for taking the test on Friday (provided they are in school).

Questions about makeup work should be directed to your child's teacher.

ASCENT

Classical Academy of Douglas County

Academic Support

Parent-Teacher Conferences

Communication between parents and teachers is of critical importance in supporting student learning. In addition to routine communications through the online gradebook, weekly newsletter, and parent emails, parents are encouraged to reach out to teachers to schedule phone conferences or in-person conferences as needed to support their child.

Twice a year, ACADC hosts formal parent-teacher conferences. These conferences typically take place between quarters and allow parents and teachers to discuss habits of conduct and patterns of success or struggle seen throughout the previous quarter. Parents will be sent information about how to sign up for these formal conferences through the school newsletter, the Courier. Please note that teachers are unable to accommodate walk-in or last minute conferences on these formal days. Appointments allow teachers to prepare materials to make conferences as productive as possible.

Homework

One of the best ways for parents to be involved in their child's education is to provide support and structure for homework. As a general guideline, the homework assignments set by our teachers should be tasks the average student could complete in ten minutes times their grade level, plus reading. This number represents the total homework time across ALL subjects that the average student should spend per grade level:

Average Time for ALL Homework Assignments, By Grade:

K-1st: no more than 10 mins (other than parent read-aloud)

2nd: 20 min (other than parent read-aloud)

3rd: 30 min

4th: 40 min

5th: 50 min

6th: 60 min

7th-8th: 80 min

9th-10th: 100 min

11th-12th: 120 min

Note that a student outside of the average could take more or less time to complete all their assignments. Students requiring far more time than these guidelines to complete their work should talk with their teacher.

ASCENT

Classical Academy of Douglas County

Grades and PowerSchool

The PowerSchool Parent portal is the primary means of communication regarding student academic progress. Parents have 24-hour access to their child's online gradebook through the parent portal, and are able to see scores as well as teacher comments on assignments. Parents are encouraged to check PowerSchool regularly to make sure they are aware of their child's progress and potential academic needs.

ACADC encourages parents to provide gradebook access to students in grades 7-12 so that students can take responsibility for their own academic success. A student who can see their missing assignments and scores is better equipped to seek out additional support from their teacher. Upper School students are also invited to visit the Post-Graduate Advisor to check their grades during lunch time or conference.

Should parents be unable to log into PowerSchool, they should immediately contact our Registrar to have their password reset.

Ascent Classical Academy offers a rigorous education in the liberal arts and sciences, with instruction in the principles of moral character and civic virtue. In keeping with the rigor of the ACA curriculum, each high school course is officially designated as an Honors course and, as such, is reflected in official transcripts by a 5.0 GPA scale. However, we strive for rigor in prudence, with an eye for inspiring a love of the classics.

To better integrate our GPA and grading scales, 50% constitutes the absolute minimum – barring cases of dishonesty or missing work – a student can receive on assessments or coursework. This does not award the student for work they do not do, nor does it encourage or allow students to attempt to game the system. Rather, it recognizes that since the 'A' scale comprises the band of 90-100%, and the 'B' scale comprises the band of 80-90%, and so on, that the 'F' scale comprises the band of 50-60%.

By limiting failing grades to 50%, we aim to ensure that students do not give up or give in to discouragement after failure. Rather than being stuck in a situation where there is no mathematical possibility of recovery, the consistent enforcement of the mathematical principles behind our grading scale and GPA scale encourages students to continually strive to improve and master the material, further reinforcing the cultivation of responsibility and courage.

ASCENT

Classical Academy of Douglas County

Testing

Philosophy and Purpose of Standardized Testing at Ascent

When standardized state assessments are used as accountability measures, schools are incentivized to prioritize test results, “teaching to the test” to ensure tested standards are mastered above all else. We don’t do this because it has the potential to limit the breadth and depth of a school’s curriculum, as well as place undue pressure on students to perform within a narrow set of prescribed standards. At Ascent, we are fortunate to have a classical, content-rich curriculum that more than meets the limited scope of state requirements, and we trust that our students will perform well on the standardized assessments as a matter of course.

State tests can offer a useful snapshot of student achievement to help us identify potential holes in our instruction. This is also an opportunity for our students to practice virtue in pursuing excellence in anything they work to accomplish, as well as aid in preparation for high-stakes tests, such as the PSAT, SAT, CLT, or ACT, that our students will take in the future. These assessments are often how our school is judged in the public arena, including in the charter renewal process.

Opt-Out

Per the Family Handbook, parents may opt their children out of the PSAT and CMAS state assessments. Opt-out instructions are provided by ACADC in the weeks leading up to CMAS testing. Parents are not able to opt their children out of internal school assessments.

Due to limited internal resources, especially on testing days, students that have opted out of testing but are still attending school on testing day, will be required to silently read while their peers are testing.

With that being said, we would like to highly encourage all students to participate in the various assessments listed above. ACADC is evaluated at the state level by the CDE based on our overall scoring and participation rates. Lower scores and/or lower participation rates can have an adverse effect on the school’s rankings and how we are perceived (in terms of academic success) by prospective families.

ASCENT

Classical Academy of Douglas County

Standardized Tests at ACADC

ACADC participates in several different standardized tests throughout the school year, including NWEA MAPs, CMAS, DIBELS and CLT testing. Ascent does not teach to the limited scope of these tests, but we use the data collected from these assessments to evaluate and improve the delivery of our classical education program. Per Family Handbook, ACADC administers standardized tests via paper-based testing whenever possible.

Questions about standardized testing at ACADC should be directed to our Deans (Mr. Sparks and Mrs. Hoos) and/or our Testing Coordinator (Ms. Peil).

ASCENT

Classical Academy of Douglas County

Fees and Finances

Financial Support

ACADC does not wish student fees to present a financial hardship or obstacle to attendance for families in need. To that end, we waive student fees and offer additional financial assistance towards uniforms and lunches for qualifying families. Families interested in receiving financial assistance may complete the Family Economic Data Survey, which can be found in the front office. Families may qualify for either Tier 1 or Tier 2 assistance. This is based on the same rubric as Free and Reduced Lunch standards.

Questions about exemptions to student fees should be directed to our Registrar. Questions about paying student fees, including payment plans, should be directed to our Business Manager.

Lost and Damaged Textbooks Procedures

Should an item not be returned, school staff will contact the parent via email to note the missing item and offer a window for the book to be found and returned. A form will also be sent home with the student for the parent to sign and return acknowledging the book is lost.

Should an item be returned in a damaged condition, school staff will note the damage and provide evidence of the damage to the parent, as well as evidence that the book was assigned to their student. School staff will determine if damage reaches a level beyond regular wear and tear that requires replacement.

An invoice for lost or damaged items will be sent to parents over email from our Inventory and Finance Specialist. We offer a variety of payment options. If payments represent an undue financial burden for your family, please speak with our Inventory and Finance Specialist regarding alternate arrangements.

Questions regarding lost or damaged textbooks should be directed to our Inventory Specialist.

School Supplies

ACADC purchases school supplies for its students using a portion of student fees. Students are expected to treat school supplies with respect to ensure that supplies last for the expected life of that particular item. Students will be provided with required materials at the start of the school year. Replacement or additional supplies are made available by request through the teacher.

Intentional destruction or misuse of supplies will result in disciplinary action.

ASCENT

Classical Academy of Douglas County

Student Responsibility for Textbooks

Students who lose textbooks or return them in damaged condition may be held responsible for replacing the item. Allowances are made for normal wear and tear on textbooks. Teachers will expect students to legibly write their names on the inside front cover of their textbooks, using a ballpoint pen, to indicate responsibility for each particular textbook. Teachers will also train students in how to properly and respectfully handle books and other school materials.

Workbooks (i.e. Dimensions Math) and literature books are considered textbooks that students use during the year for their education. If a student loses their workbook or literature book and needs a replacement, a parent/guardian will need to pay for a replacement book.

Student Fees

ACADC collects student fees from families each year to provide expendable supplies and materials to students. A detailed description of what items are covered by the student fee is available to parents by emailing the Inventory and Finance Specialist.

Fees can be paid via check or cash delivered to the front office, or online through the registration process.

Field trips or extracurricular activities such as athletics, clubs, or House activities may involve additional fees, to be paid through the Front Office or the RevTrak system. Elective classes such as band, orchestra, or studio art may also charge additional fees to cover the cost of specialized instructional materials.

ASCENT

Classical Academy of Douglas County

Parent Engagement

Visitor Expectations

Class observations must be scheduled ahead of time through the Front Office.

- Visitor dress is appropriate for a school setting and non-distracting, keeping within the spirit of our student uniform and faculty/staff dress code.
- Observations should be for a set time and not the whole day. Visitors may not wander the building to observe other classes unannounced. Visitors found doing this will be asked to leave by a member of our administration and visiting will not be permitted again.
- Visitors should not interject into the class discussion or offer to assist students in their learning during class time.
- Visitors are not permitted to grade assignments at any time.
- Visitors should not at any time take photographs or videos during their observation. This is a direct breach of student privacy and visitors will be removed immediately. Exceptions will be made only for parents attending an Opening Ceremony where their student is performing or being recognized for an award. At that time, photos and videos must be only of their student(s).
- Observations are different from volunteering in a class. Those desiring to volunteer on campus should reach out to our Front Office.

Questions about visiting campus can be directed to our Receptionist.

Campus Meetings

Drop-in or same-day requests for meetings of any kind cannot be accommodated at our campus. Parents wishing to schedule a meeting with a teacher should contact that teacher directly and understand that such meetings are likely to be scheduled after school rather than during the school day. Parents wishing to schedule a meeting with an administrator should contact the administrator by email to request an appointment. Please be sure to provide a short summary of what needs to be discussed so that the meeting can proceed productively.

We often find that phone calls can be accommodated in a shorter turnaround time than in-person meetings. If there is a concern that a meeting will take too long to arrange, a phone call may be requested instead. We want to be sure to address any concerns as soon as we can!

ASCENT

Classical Academy of Douglas County

Classroom Observations

Parents are always welcome to visit our campus and observe classes in session. Please notify teacher(s) at least 24 hours in advance of observation. Visiting a classroom can be a great way for parents to gain perspective, see our faculty in their elements, as well as have a framework for which they can speak to their children about what they are learning. Please visit the front office to sign the Classroom Observation Agreement prior to observing in a classroom.

Before visitors arrive, they must understand the expectations in order to have a valuable observation experience, but also allow for continued decorum in our classrooms. The purpose of a classroom visit should never be to critique the teacher.

Parent-Teacher Communications

Communication regarding school behavior or academic performance rests primarily on the student, as behavior and performance is a direct result of their work and effort. As a school, we recognize that if a parent's and a student's story differ, it is natural and fitting that the presumption be on the side of the parent. Similarly, it is natural and fitting that the presumption be on the side of a teacher when assignments are missing, homework is late, or other circumstances arise over the course of a school year.

Teachers and office staff will make every effort to respond to parent communications within 24 hours, with 48 hours allowance over the weekend. The Headmaster and Deans may have pressing responsibilities that may prevent immediate response, but will make every effort to reply within 48 to 72 hours.

Out of respect for our employees, we ask parents to use official ACADC communication channels (school email accounts) to discuss school business. As a close community, many ACADC teachers and staff may have personal connections to our families from outside of school. ACADC employees are not permitted to discuss school business through personal channels, such as social media accounts and text messaging.

Communications and “Hand Grenades”

As a campus, ACADC has adopted a “no hand grenades” approach to communications. A “hand grenade” is a communication sent in haste and/or heightened emotional state that is intended to cause harm rather than bring about a solution to a problem.

What we have found is that such communications are not only unproductive but damaging to the parent-teacher partnership, and indicative of a buildup of frustration or breach of trust and

ASCENT

Classical Academy of Douglas County

respect in the relationship. When “hand grenades” are sent or received, ACADC will support parents and staff in pausing all communication until a face-to-face meeting can be had and these interpersonal issues resolved. Only when parents and teachers are working together for the betterment of students can real progress be made on solving problems.

Responding instead of Reacting:

In general, we would never recommend AGAINST someone taking a 24-hour pause before reaching out. This is especially important if you find yourself in a situation where you are upset at an event or decision, and have all the facts and information. Choosing to pause is an exercise in wisdom, reflection, and self-control. You can then initiate contact to make a ‘Wise Appeal’, which in itself already leans more towards a *Response* instead of a *Reaction* to any given situation.

Newsletter

To maintain communication with our families about upcoming events and important announcements, ACADC publishes our e-newsletter (The Courier) once a week. Parents are strongly encouraged to read it carefully. Out of courtesy to our busy office staff, please make sure to consult it and/or any of our handbooks and guide documents, such as these guidelines, before reaching out with questions.

Parental Code of Conduct

Every effort is made to hire a faculty and staff of the highest moral character so as to set examples of virtue and wisdom for our students. We ask our parents to partner with us in upholding the following standards of conduct:

- Demonstrate good character at all times and in all circumstances.
- Understand the mission and philosophy of Ascent Classical Academy.
- Not speak poorly of teachers or other staff in order that students may have the best opportunity to learn from all teachers.
- Follow school procedures as outlined in the School Policies and this Site Guidelines document.
- Hold high expectations of student performance - regardless of final grades, students should be putting forth their best effort in all their educational endeavors.
- Encourage students in their learning by asking questions and discussing what they have learned on a regular basis.
- Help your children develop effective study skills and work habits.
- Oversee your child’s progress.
- Support the school by getting children to school on time.

ASCENT

Classical Academy of Douglas County

Volunteering

Volunteers are critical to the success of Ascent Classical Academy, and we are deeply appreciative of the time and effort our parents and community members invest in us. We know that children enjoy greater success in school when the adults they admire most take an interest in their education. No matter what kind of volunteer work a parent does, or who they do it for, there are some common qualities that will help them be a successful volunteer at Ascent Classical Academy.

Volunteers must complete a background check through our Raptor system before they may volunteer on campus. Volunteers must also read and sign the Volunteer Agreement and the Student Privacy and Confidentiality Agreement before volunteering. These documents provide important expectations, policies, and information about volunteering on our site and can be gathered from the Front Office.

ASCENT

Classical Academy of Douglas County

Student Discipline

Philosophy of Discipline

The word *discipline* originates from the Latin, *discipulus*, meaning pupil or student, and the Latin, *disciplina*, meaning *knowledge*. These are derived from the root word, *discere*, meaning *to learn*.

At the very heart of discipline we find: pupil (student), knowledge, and learning. Discipline requires more than simply actions and consequences. It requires love and empathy. It requires an investment. It requires instruction. It requires patience. It requires consistency. It should never be administered with anger or vengeance.

Discipline should, at its core, help guide a student to grow in maturity and virtues. At Ascent, all student behavior can be measured by turning to or examining the following:

School Pledge

I will learn the True

I will do the Good

I will love the Beautiful

The Seven Virtues

Courage, Moderation, Justice, Responsibility, Prudence, Friendship, and Wonder

Demerit System

To establish consistency and to help distinguish between typical behavior needing redirection, versus ongoing and/or escalating behavior, Ascent Classical Academy of Douglas County uses a demerit system to help with student behavior and discipline.

Faculty and staff all use the same classroom expectations in the Upper School (grades 7-12). These include classroom rules, norms, and cultural expectations. This provides overall consistency and predictability from class-to-class and grade-to-grade, which benefits all students (and teachers) as humans thrive on consistency and predictability.

Before issuing a demerit, it is assumed and understood that typical classroom communication and direction/redirection is being used regularly. A demerit should never (or very rarely) be the first step in the process.

ASCENT

Classical Academy of Douglas County

First steps are daily reminders, redirections, clarifying expectations, and classroom management techniques. These will often be verbal and part of the day-to-day instruction and training of students. These are warnings. Warnings are aimed at providing clear feedback on student behavior.

If a behavior is repeated in nature, the faculty or staff member should FIRST call home. Communication is the key in partnering with the student AND the home. Calling home should be a normal thing (both for praise and concern), but this will happen after a particular behavior has been observed on a few occasions.

If classroom redirection, calls home, and warnings are not working, and a demerit is deemed to be warranted, the faculty or staff member will need to call parents and follow-up with an email to parents (and the Dean of Students/US Dean) to inform them that the demerit was issued.

Again, demerits include but are not limited to: minor classroom disruptions such as inappropriate behavior, repeated dress code violations, repeated tardiness to class, not following directions, false information, or repeatedly not being prepared for class.

Consequences

The demerit system includes various levels, actions, and responses which elevate based on the severity and frequency of disruptions. It includes steps such as: Meeting with the Dean of Students and/or Dean of Upper School, Lunch Detention, Morning/Afternoon Detentions, and behavioral probation.

After the fifth (5) demerit in a semester, the student will be placed on Behavioral Probation for 2-weeks and will serve a 1-day In-School suspension. The student will not be eligible for extra-curriculars, sports, etc. during this time.

Should a student NOT come off Behavioral Probation after 2-weeks (i.e. they receive continued demerits while on Probation), a meeting will be REQUIRED with the Headmaster/Administration to discuss next steps. Should a student go on and off probation repeatedly, further disciplinary measures will be taken, including, but not limited to, out of school suspensions, possible recommendation for expulsion, etc.

Office Referrals

For more serious misbehavior, students may be sent to see the Dean of Students or another administrator to discuss their actions. Frequently, these situations involve multiple parties and may require time for investigation. If so, the Dean of Students will do his/her best to investigate and communicate with parents in a timely manner.

ASCENT

Classical Academy of Douglas County

We ask parents to understand that we respect the confidentiality of all students involved. The consequences of misbehavior (i.e., the specific punishments) remain a private matter between that student's parents, that student, and the school.

For the most serious behaviors, in-school suspensions, out of school suspensions, and expulsions are possibilities. Please refer to the Family Handbook for the details of those policies.

Student Health

Health Office

Our Health Office strives to create a safe and healthy environment for all of our students. Per the Family Handbook, students who are sick with contagious illnesses or communicable diseases may not attend school. Common signs of contagious illness include:

Coughing/Sneezing - If a student has a persistent cough, he or she must remain at home until it eases. If a student comes to school with a cough or sneeze that is a disruption to the class, he or she will be sent home.

Diarrhea - If a student is having diarrhea at home or school, he or she needs to remain at home for 24 hours when he or she stops having symptoms. Please do not bring your child to school with diarrhea.

Fever - If a student has a fever above 100.4 degrees Fahrenheit, keep him or her at home. Students with fevers above 100.4 degrees at school will need to be picked up immediately. Students must be fever-free without the use of fever-reducing medications for 24 hours before returning to school.

Vomiting - If a student is vomiting at home, he or she must remain at home for at least 24 hours from the last time he or she vomited. If a student vomits at school, he or she will need to be picked up immediately.

Medications on Campus

Per the Family Handbook, in order to have student medication on-campus, the Health Office must have a medical, allergy, and/or asthma form completed by the student's doctor. Authorized providers who can complete this form are MD, DO, PA, NP, NPP, DDS. No other types of providers are accepted on this form.

Once this form has been completed, parents may bring the form and medication into the Health Office and sign a medication form. Medications must be in their original bottles and be labeled with the student's name. All forms of medication, including Tylenol or ibuprofen, must have a doctor's note.

Students may not self-medicate.

ASCENT

Classical Academy of Douglas County

If a student would like to carry an inhaler or epi-pen, parents must still have the student's doctor fill out a form to bring to the Health Office. The student must then meet with the Health Aide and School Nurse to sign a self-carry form and demonstrate knowledge of use for the inhaler or epi-pen.

Any student who has a health condition that needs medication may warrant a meeting with the Nurse and Health Aide. If parents have a plan from their student's doctor, this must be brought into the Health Office for record-keeping and adherence to the plan.

Immunizations

Per Colorado state law, all Ascent Classical Academy students are required to be immunized against specific diseases. Ascent Classical Academy of Douglas County complies with state law regarding exemptions from immunization requirements.

Parents seeking a certificate of non-medical exemption may be required by state law to complete an online government course and submit proof of completion to the Health Office. Information on non-medical exemptions may be found online through the Colorado Department of Education at <https://cdphe.colorado.gov/nonmedical-exemption-nme>.

“Frequent Flyers”

Students who are found repeatedly visiting the health office during the course of a school day will have their parents contacted and may need to be picked up if they cannot remain in the classroom.

Students who repeatedly visit the health office over multiple days may have their parents contacted about missing excessive class time. School administrators may ask for a meeting with parents, students, teachers to discuss strategies to improve a student's class attendance.

Student Life

Formal Day

Each Wednesday of the school week is designated as Formal Day. We ask students to wear their formal uniforms on this day. On the other days of the school week, students may wear formal day attire but are welcome to wear other uniform clothing.

Students who forget or are missing formal-day attire will be asked to call their parents from the front office to bring them the missing garments.

Opening Ceremonies

Each grade holds opening ceremonies once/twice a week. These include the grades reciting the Pledge of Allegiance and the Student Pledge. Often these opening ceremonies include a teacher-led reflection on virtue and character, frequently through reading a short story or poem, and award ceremonies.

Opening ceremonies are also a time for class recitations. If a class is reciting a poem or performing a short scene from a play, parents of students in that class are invited to join us to watch.

Lunch and the Lunchroom

The Great Hall is used for lunches between 11:30 and 1:10pm. ACADC has partnered with an outside lunch provider, Grateful Plate, for parents to purchase meals in advance. Links for this can be found in our weekly school newsletter and on our website. Families who qualify for financial assistance for meals should contact our Registrar with questions about payment for school lunches.

Many of our students bring their own lunches. We provide basic utensils, napkins, and cups of water as-needed to students without them.

Our lunchroom is managed by a lunch supervisor, a handful of teachers and staff on rotation, and parent volunteers. While lunch is free time in the students' day, we expect our students to maintain the decorum proper to our school and to respect each other and the building.

Due to food allergies, students may not share or trade food with each other. Grammar school students do not have access to microwaves in the lunchroom.

ASCENT

Classical Academy of Douglas County

Recess

Our playground is the enclosed gated space on the south side of the building. Students in 6th grade and lower may play on the playground equipment. All students are welcome to play with recess equipment (balls, jump ropes, etc.).

Students have recess periodically throughout the day. Recess is supervised by a rotation of teachers, staff, and parent volunteers.

We expect students to remember and live out our core virtues while at recess. This includes:

- Treating others the way you would like to be treated.
- Respecting school property.
- Staying in the designated playground area, in the sight of an adult.
- Reporting injuries or mishaps as soon as possible to an adult.
- Lining up quickly and silently when the whistle blows to end recess.
- Taking responsibility for personal items brought to recess.

ACADC is not responsible for items lost or damaged at school. We recommend parents be aware of what their children bring to school and avoid sending them with valuable or sentimental items that may be damaged or lost. Common items that are best left at home include:

- Money
- Trading cards (including Pokemon cards)
- Electronic devices
- Digital watches that make noise
- Board games
- Anything expensive or fragile
- Anything your child values deeply or holds special

Personal sports equipment - soccer balls, footballs, frisbees, etc. - may be taken to school for outdoor recess use but should be clearly labeled with your child's name.

Lost and Found

Items left outside at recess or in the lunchroom or classrooms will be gathered at the lost and found in the lobby. If you discover your child is missing something, please check there first. We recommend labeling clothes on the tags so that you can identify which items belong to you. Sweaters, fleeces, jackets, and water bottles are frequently left behind at recess.

ASCENT

Classical Academy of Douglas County

Periodically throughout the school year, items in the lost and found will be donated.

Special Events and Parties

Special events or parties must be directly tied to the curriculum and add to the instructional environment. Typically, we do not change our routines to commemorate historical holidays out of the context of their historical period. We may recognize these as part of our opening ceremonies in the classroom. Any special event or party must be approved in advance by the Headmaster or Dean.

Instructional time should not be interrupted for birthday parties. Parents may bring a treat to their child/class to enjoy at the end of the day or stop by the lunchroom to spend time with their child. Balloons, flowers, or other gifts delivered to the Front Office for a student's birthday will be kept there until the end of the school day if deemed distracting for a classroom.

We recognize that birthdays are important and significant events, especially for younger children, and teachers are able to recognize them in smaller, non-distracting ways at the teacher's discretion.

Invitations to parties or events that are brought to school for distribution must include an invitation for each student in the class. Invitations for exclusive parties or events may not be handed out on campus.

Field Trips

Teachers schedule field trips for their classes. We encourage our teachers to plan 1 field trip per year for their class. Classes have been to the 4 Mile Park, the Denver Museum of Science and History, and the Denver Aquarium.

Teachers will request parent chaperones and parent support with transportation. All chaperones will be required to complete a background check with our front office. All parents driving students for field trips will be asked to submit proof of license and insurance before the day of the field trip.

Common Uniform Concerns

Our dress code expectations provide an opportunity for our students to practice virtue in the small things. Our dress code is available on our school website, with pictures of the different pieces of the uniform. To help parents understand uniform expectations, this short list provides an example of the most common uniform violations:

All Students:

- Belts are required for all students wearing pants or shorts in Grades 3 and up.
- Collars of uniform shirts must be visible under sweaters and jumpers.
- Jackets and non-Ascent hoodies may not be worn indoors.
- Long sleeve undershirts may not be worn with short sleeve uniform shirts.
- Polo shirts are not part of the formal uniform.
- Shirts must be tucked in.
- Ascent hoodies are permitted, but the hood must remain down.
- Shoes may not have open toes, heels, or other accents, and shoe colors must be aligned with dress code requirements.
- Socks with bright colors or patterns may not be worn to school.
- Students may not write or draw on their skin.
- In grades 7 and up, students must change into uniform PE clothes for PE.
- Even on field trips, students should be in uniform. Exceptions may be made for which dress expectations will be communicated in advance.

Boys:

- Khaki pants must be worn, not shorts, on formal days.
- Shirt length should be long enough to tuck in.
- Undershirts must be in uniform colors.

Girls:

- Earrings must be stud only - no dangling or drop earrings.
- Nails should be a natural length so as not to interfere with school activities (e.g., PE or handwriting in class).
- Piercings on parts of the face or body besides ears are not permitted.
- Hair color should be natural and not include sparkles or additions.
